

# CONTENTS

U.S. DEPARTMENT OF HEALTH AND HUMAN SERVICES  
OFFICE OF THE SECRETARY  
ADMINISTRATION ON AGING

## FEATURE ARTICLES

**Paintings Can Transform a Life** The story of Museum One, an art appreciation outreach program that brings insight and inspiration to thousands of older Americans. **14**

**The Unflinching Eye of Elizabeth Layton** She began drawing in her late 60's and before her death at the age of 83 saw her work exhibited at the National Museum of American Art in the nation's Capitol. **21**

**Nurturing the Creative Spirit** This section offers ideas and resources to help build arts and humanities programs that have special relevance for older people. **25**

**A Center for Artists With Developmental Disabilities** The variety and originality of these artists' works demonstrate that all people, regardless of age or disability, are creative. **35**

**A Houseful of Ideas for Safe Living** describes thingamabobs and home modifications that make it possible to keep on living where you are despite declining strength. **38**

**A Peer Counselor's Support Makes A Difference** Older volunteers are especially effective in helping peers to cope with emotional stress or chronic mental illness. **42**

**To Drive or Not To Drive** How do you know when it's time to improve your driving skills to compensate for declining physical strength? When should you hang up the keys? **49**

## DEPARTMENTS
